# WHY "BAD" BOYS AND CRIMINALS?

By

J. M. Master, U. S. Probation Officer  
U S District Court, Southern District of N Y

*(The views of the writer, as expressed in this article, do not necessarily represent those of the Judges of the U S. District Court for the Southern District of N. Y.)*

While dealing with problem boys, delinquents, and old criminals, for 20 years—ten of which were spent in prisons—I often have been asked to discuss what causes boys to become "bad", turning to delinquent, or criminal behavior.

Also, I have asked that question of myself many times. Individual cases, upon comparison, do not show the same factors causing the delinquencies, or crimes. In studying numerous cases, however, certain definite factors appear to produce "bad" boys or older criminals.

If you or I could isolate ourselves from the rest of society, like Robinson Crusoe on his island, then, you or I could not become "bad", that is, commit any crime. When men live together they have a definite need for setting up laws or rules of conduct and behavior to regulate their relationships. A society without such controls would soon bring anarchy. Even games can not be conducted without rules or laws.

Society has to select a few chosen persons to enforce its laws. The latter are our police, school officials, court officers, district attorneys, etc.

Proper law enforcement prevents violations of the law and protects our liberty. The police and other law enforcement officials, thus, actually are our friends and protectors. Only the violators of the law fear or distrust these officials, because disobedience of the law will result in their arrest, trial, and sentence.

Many scientific studies have been made and are being made of delinquency and criminality. These researches show that there are many causes of crime. A criminal career is

the result of a chain of countless causes.

Delinquent and criminal behavior is most frequently traced to Heredity and Environment. Heredity refers to the qualities or lack of qualities, passed on to us by our parents. Environment is whatever surrounds us from the time we are born. Of equal importance as a factor, is the effects upon the individual of the inter-play between hereditary and environmental factors—Individual Character, or Personality. The latter undoubtedly supplies the basic explanation why saints and sinners may come from the same family, why slums produce great men as well as public enemies, etc.

The individual can do little with respect to changing his heredity. Nor can he, as an individual, do much to eliminate or change the unfavorable conditions of his environment. Each of us, however, can do something constructive when it comes to improvement of individual character, or personality. Parents, school authorities, employers, law enforcement officials, friends, associates, and the individual himself, all can contribute their efforts in turn. Improved character training and personality development result in improved citizenship. The efforts of the individual, the family, and the community as a whole must be co-ordinated and brought to bear upon the problem of delinquency through improving citizenship—that is why each of us still has to be his "brother's keeper".

In our democracy, each of us carries the responsibility for as well as enjoys the privilege of "good" living. We not only have the obligation

to "stay good", but also the duty to keep ourselves and others from going "bad". Training for good citizenship is the best preventive of delinquency and criminality. Although not all inclusive, the following principles contribute fundamentally to good citizenship.

**HIGHER AUTHORITY.** From birth until death, each person must subordinate himself to a higher authority. No one can be immune to this need. As children, we have to accept and follow the standards, rules, and policies established by our parents. In turn, thereafter, come the authority of the schools, industry, associates, professional or social organizations, and the law, respectively. In addition, we are confronted with God's spiritual requirements, the laws of nature, and those of science. Failure in our training to learn to accept and comply with higher authority results in difficulties for the individual as well as the group.

**SELF-CONTROL.** Man, because he is a social being and lives in a social group, must develop suitable habits of self-control and self-discipline in order to get along with the social group of which he is a part. More advanced standards of self-control and self-discipline are required as the individual grows up. In turn, the individual has to participate in activities extending beyond the areas of the home, the school, the neighborhood, and the local community. Failure to instill these traits during early life and develop them during the individual's growth will bring the individual into difficulties of increasing degree. As we grow into maturity we have to shoulder increased responsibilities and duties.

**TEAM PLAY.** Normal and successful living is not possible in isolation. In fact, the fullest lives are those of active participation in a variety of well-rounded group activities—civic, social, cultural, religious, industrial or professional programs. Participation in a group activity requires team play—observance of the rules of real sportsmanship. Ability

to "give and take", lead as well as follow the leader, compromise in good spirit, practise good fellowship, and be a good winner as well as a good loser are essential for good team play. Wilfulness, being self-centered, carrying a "chip on the shoulder" attitude, hogging the spotlight, and poor sportsmanship make one unfit for team play.

Too often, each of us can see what is wrong with the other fellow, while blind to our own faults. We also are too apt to find alibis for our failures, while inclined to blame the other fellow, or "pass the buck", when it comes to duties and responsibilities. Placing all the blame for delinquency and crime on the parent, or the schools, or the slums, or "bad associates", or politicians, etc., exemplifies these tendencies.

Parents are responsible for more than the mere provision of food, clothes, and shelter. They have the duty of setting proper standards and examples of good citizenship, exercising appropriate supervision and discipline. Overindulgence and shielding of children is parental self-indulgence.

Teachers and school authorities must go beyond mere instruction in the three Rs. They must contribute their efforts toward increased character building, personality development and good citizenship. They are derelict in duty if they assume that the latter requirements are the sole responsibility of parents.

As good citizens, we all must strive to eradicate unfavorable neighborhood conditions, improve standards of living, and meet our civic and political obligations. As individuals, we all must strive for improved good citizenship on our part and that of our neighbors. If we do we will cut down on delinquency and crime.

In the next issue of Sparkling Stars, we will show why three boys turned criminal. In the issue after that, we will discuss three other boys who started wrong, but changed and made good.

DEAN BARTLETT CROMWELL, is in his 39th year as coach of the University of Southern California's track team.

At 67 and still going strong, the Dean's record is unequalled in track history.

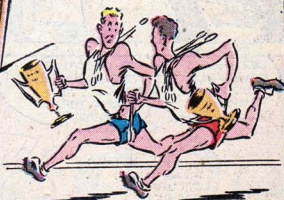

His teams have won 69 N. C. A. A. and I. C. 4-A championships, 34 National A. A. U. titles and 15 individual Olympic championships.

Two of the four men who hold the record for the 100 yard dash at 9.4 seconds have been coached by Dean Cromwell while at the University of Southern California.

Five of Cromwell's coached pole-vaulters have cleared the bar at 14 feet. Only 3 other vaulters have been able to duplicate that height.

In 1943, Cromwell's efforts were really rewarded. A 4-man Trojan team, for the 9th consecutive time, ran off with the N. C. A. A. championship.

## Billy McDougal

Billy McDougal, a corpulent boy  
Had found that in eating  
Was his greatest joy!

Tho' most girls ignored him,  
He found him a bride  
Who was just as big up and down  
As she was wide!

They married and lived  
In the glory of food,  
And now you should see  
The size of their brood!

## In Dreams To Roam

My spirit wanders far and wide  
To meet the ever restless tide,  
While here at home, in truth I sit  
And hardly move from side to side.

Imprisoned tho' my flesh may be  
To routine tied forevermore  
In thought I'm always free to fly  
To meet the rushing sea!

No shore remains for long untouched  
In dreams I'm really free to roam,  
No tongue remains to me unheard,  
Though here I sit at home.

I close my eyes and visualize—  
Myself upon some stranger's ship;  
And softly hear the waves caress  
The boat, as on some lover's lips!

And thus I see the starry night  
Light up the endless plains of sea  
And hear the music of the wind  
That stops a while to dance with me!

# BATTLE OF THE BEASTS

ALTHOUGH THE POLAR BEAR IS SELDOM SEEN EVEN BY ESKIMOS, HE IS THE MOST DANGEROUS ANIMAL INHABITING THE ARCTIC REGION

YOU ARE NOW STANDING ON THE REMAINS OF THE MARAUDER OF THE NORTH, BOB

HE MUST HAVE BEEN A HUGE BEAST HOW DID YOU GET HIM, PROF TRUE?

MANY YEARS AGO I WENT NORTH TO STUDY SEALS IN THEIR NATURAL HABITAT --- ONE FINE MORNING WE LEFT OUR IGLOO CAMP ---

--ABOUT TWO HOURS FROM CAMP, MY ESKIMO GUIDE SPOTTED A SEAL AND, READYING THE NET, MADE A DASH FOR IT ---

--- I FOLLOWED. BUT, SUDDENLY, THE ICE CRACKED BETWEEN US AND I NEARLY TOPPLED INTO THE WATER---

---REGAINING MY EQUILIBRIUM, I LOOKED FOR THE SEAL, ONLY TO DISCOVER TO MY HORROR, THAT A HUGE POLAR BEAR WAS MAKING A BEE-LINE FOR MY GUIDE ---

----- I SHOUTED A WARNING. THE ESKIMO INSTINCTIVELY THREW HIS SPEAR AT THE ONCOMING BRUTE. THE BEAR FELL ---

--- THE GUIDE'S ACTION GAVE ME ENOUGH TIME TO TAKE AIM. BEFORE THE WOUNDED POLAR BEAR COULD RESUME HIS ATTACK, I SHOT HIM THROUGH THE HEART.

BUT, WHAT BECAME OF THE SEAL, PROF. TRUE?

WE DIDN'T GET THIS ONE, BOB. IN THE NOISE AND EXCITEMENT HE MADE GOOD HIS ESCAPE.

WATCH FOR ANOTHER THRILLING "BATTLE OF THE BEASTS" IN OUR NEXT ISSUE!

# HELL'S ANGELS

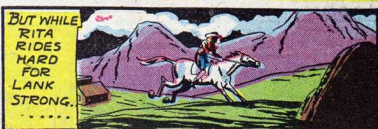

**H**AD THE WHOLE WEST TURNED AGAINST THE HELL'S ANGELS? IT SEEMED THAT EVERY COWBOY AND INDIAN NORTH OF THE BRIMSTONE WERE BENT ON DEVASTATING THEIR T-BONE RANCH, THEIR AIR-CARGO SERVICE, AND THEIR NEW URANIUM MINE. OR WERE THE HEROIC TRIO--LANK STRONG, CLEM WEST AND GIL LITTLE--ACTUALLY BUCKING AGAIN THE REVENGEFUL FRITZ NERON AND HIS RUTHLESS INTERNATIONAL CUTTHROATS?

**AN OUTLAW SHOCKS RITA WORTH, COW-GIRL STRAW BOSS OF THE T-BONE RANCH.**

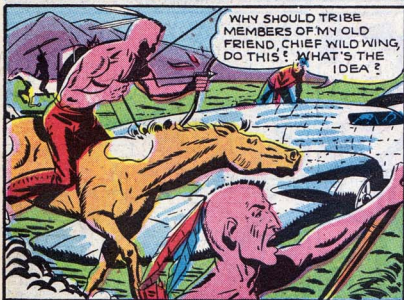

PHEW, THAT WAS A CLOSE SHAVE ! WHY DIDN'T THE INDIAN SEE ME COMING ?

WHAT IN THE --- ?

WHY SHOULD TRIBE MEMBERS OF MY OLD FRIEND, CHIEF WILD WING, DO THIS ? WHAT'S THE IDEA ?

MY GOSH, THEY'VE SET THE PLANE AFIRE ! HEY, STOP, YOU FOOLS !

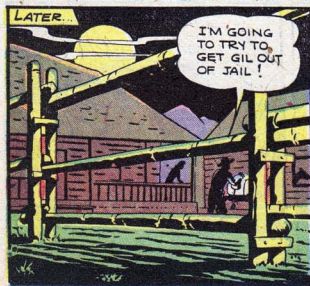

I HOPE SHOOTING OVER THEIR HEADS WILL... OOH !

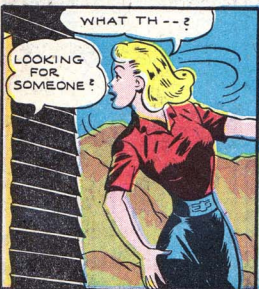

AND WHEN RITA RIDES UP !

OH, MY HEAVENS --- !

REALIZING THE HOPELESSNESS OF TRYING TO ARGUE WITH THE HARD-HEADED SHERIFF, LANK RIDES BACK...

SOMEHOW I'VE GOT TO GET GIL OUT OF THERE AND QUICKLY!

LANK SUDDENLY SEES MASKED RIDERS THREATENING THE ANGELS' PROPERTY!

A BAND OF MASKED RIDERS SETTING FIRE TO THE HANGARS!

AND WITH RITA, MEANTIME, A PAWN IN THE HANDS OF THE MAD PEDRO.

VERY PRETTY, PEDRO!

HEE-HEE-HEE--!

AND WITH GIL TRAPPED IN THE TOWN JAIL...

THEY'LL BASH IN THE DOORS NOW. THEN MY GOOSE WILL REALLY BE COOKED! (GROAN!)

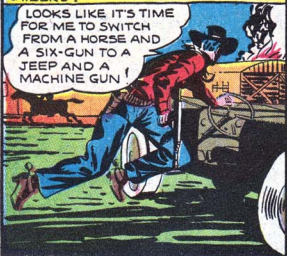

AND ALL THAT FOOL TIN-BADGE DOES IS JOKE WITH THEM!

KEERFUL, BOYS, YUH DON'T WANNA GO AN' SCRATCH TH' PAINT ON THEM DOORS!

BANG BANG

**LANK REMAINS THE ANGELS' LAST HOPE... AS HE FACES SINGLE-HANDED THE MASKED RAIDERS!**

**AND SOON!**

**LANK FINDS ALL HIS MINERS AND MECHANICS BOUND TO THEIR BUNKS--AND A WARNING!**

**AND AT THE RANCH-HOUSE, LANK FINDS ANOTHER NOTE!**

**SO NEXT DAY...**

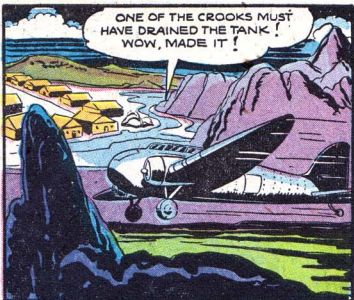

BUT LANK IS DESTINED NEVER TO REACH THE FAMOUS INSPECTOR HUNT, FOR A HALF HOUR LATER...

WELL, FOR--?! I'M OUT OF GAS!

ONE OF THE CROOKS MUST HAVE DRAINED THE TANK!  
WOW, MADE IT!

LANK HIKES TO THE NEAREST TOWN, ARRIVES TOO LATE TO HIRE A CAR OR HORSE, VISITS A MOVIE TO PASS THE EVENING...AND OVERHEARS A VERY INTERESTING CONVERSATION.

WHAT DO YOU KNOW! DAT CAVE IN DIS HUMPHREY BOGART MOVIE IS JUST LIKE MIRABOU CAVE WHERE NERON STASHED WILD WING'S TRIBE!

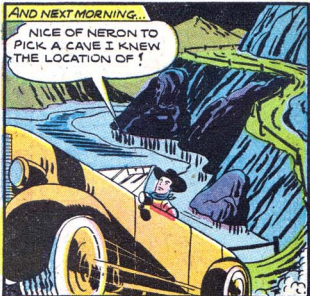

YEAH...

OH-OH!

AND NEXT MORNING...

NICE OF NERON TO PICK A CAVE I KNEW THE LOCATION OF!

AND SOON...

AND NOW MAYBE I'LL LEARN THE ANSWERS TO A FEW QUESTIONS!

BOOM

LANK, YOU  
SAVED OUR LIVES!  
NERON PLANNED  
TO STARVE US  
TO DEATH!

BUT,  
WILD WING,  
WHAT---?

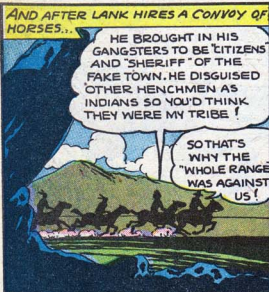

NERON WANTED TO RUIN  
YOU AND TO STEAL YOUR  
URANIUM MINE. HE BUILT  
A FAKE TOWN NEAR THE  
MINE AND IMPRISONED  
ME AND MY TRIBE WHEN  
I THREATENED TO  
EXPOSE HIM!

AND AFTER LANK HIRES A CONVOY OF  
HORSES...

HE BROUGHT IN HIS  
GANGSTERS TO BE "CITIZENS"  
AND "SHERIFF" OF THE  
FAKE TOWN. HE DISGUISED  
OTHER HENCHMEN AS  
INDIANS SO YOU'D THINK  
THEY WERE MY TRIBE!

SO THAT'S  
WHY THE  
"WHOLE RANGE"  
WAS AGAINST  
US!

AND VERY SOON...

BOY, AM I GLAD  
TO SEE YOU! ANOTHER  
TEN MINUTES AND I'D HAVE  
BEEN STRETCHING  
HEMP!

NOW,  
"SHERIFF"  
TALK!

N-NERON  
IS- IS IN  
YOUR M-MINE!

AND THEN!

GREETINGS, NERON!  
JUST THROW UP  
YOUR HANDS, AND  
PRONTO!

HUH?!

LATER...

HOW DO YOU  
LIKE IT IN YOUR OWN  
JAIL, PAL?

I WILL NOT BE  
HERE LONG!

YOU'RE RIGHT, NERON, BECAUSE  
INSPECTOR CLICK HUNT IS COMING  
TO TAKE YOU BYE BYE AFTER  
WHICH WE'LL REALLY GET GOING  
ON OUR URANIUM MINE....

ADVICE TO SPARKLING STARS READERS FOR

# BAD SKIN

Stop Worrying Now About Pimples, Blackheads  
And Other Externally Caused Skin Troubles  
JUST FOLLOW SKIN DOCTOR'S SIMPLE DIRECTIONS

Have you ever stopped to realize that the leading screen stars whom you admire, as well as the beautiful models who have lovely, soft white skin, were all born just like you with a lovely smooth skin?

The truth is that many girls and women do not give their skin a chance to show off the natural beauty that lies hidden underneath those externally caused pimples, blackheads and irritations. For almost anyone can have the natural, normal complexion which is in itself beauty. All you have to do is follow a few amazingly simple rules.

Many women shut themselves out of the thrills of life—dates, romance, popularity, social and business success—only because sheer neglect has robbed them of the good looks, poise and feminine self-assurance which could so easily be theirs. Yes, everybody looks at your face. The beautiful complexion, which is yours for the asking, is like a permanent card of admission to all the good things of life that every woman craves. And it really can be yours—take my word for it!—no matter how discouraged you may be this very minute about those externally caused skin miseries.

Medical science gives us the truth about a lovely skin. There are small specks of dust and dirt in the air all the time. When these get into the open pores in your skin, they can in time cause the pores to become larger and more susceptible to dirt particles, dust and infection. These open pores begin to form blackheads which become in-

fectured and bring you the humiliation of pimples, blackheads or other blemishes. When you neglect your skin by not giving it the necessary care, you leave yourself wide open to externally caused skin miseries. Yet proper attention with the double Viderm treatment may mean the difference between enjoying the confidence a fine skin gives you or the embarrassment of an ugly, unbeautiful skin that makes you want to hide your face.

The double Viderm treatment is a formula prescribed by a skin doctor with amazing success, and costs you only a few cents daily. This treatment consists of two jars. One contains Viderm Skin Cleanser, a jelly-like formula which penetrates and acts as an anti-septic upon your pores. After you use this special Viderm Skin Cleanser, you simply apply the Viderm Fortified Medicated Skin Cream. You rub this in, leaving an almost invisible protective covering for the surface of your skin.

This double treatment has worked wonders for so many cases of external skin troubles that it may help you, too—in fact, your money will be refunded

if it doesn't. Use it for only ten days. You have everything to gain and nothing to lose. It is a guaranteed treatment. Enjoy it. Your dream of a clear, smooth complexion may come true in ten days or less.

Use your double Viderm treatment every day until your skin is smoother and clearer. Then use it only once a week to remove stale make-up and dirt specks that infect your pores, as well as to aid in healing external irritations. Remember that when you help prevent blackheads, you also help to prevent externally caused skin miseries and pimples.

Incidentally, while your two jars and the doctor's directions are on their way to you, be sure to wash your face as often as necessary. First use warm water, then cleanse with water as cold as you can stand it, in order to freshen, stimulate and help close your pores. After you receive everything, read your directions carefully. Then go right to it and let these two fine formulas help your dreams of a beautiful skin come true.

Just mail your name and address to Betty Memphis, care of the New York Skin Laboratory, 206 Division Street, Dept. 251 New York 2, N. Y. By return mail you will receive the doctor's directions, and both jars, packed in a safety-sealed carton. On delivery, pay two dollars plus postage. If you wish, you can save the postage fee by mailing the two dollars with your letter. If you are in any way dissatisfied, your money will be cheerfully refunded. To give you an idea of how fully tested and proven the Viderm double treatment is, it may interest you to know that, up to this month, over two hundred and twelve thousand women have ordered it on my recommendation. If you could only see the thousands of happy, grateful letters that have come to me as a result, you would know the joy this simple treatment can bring. And, think of it!—the treatment must work for you, or it doesn't cost you a cent.
